Track I: Biotechnology Camp
A Murder Mystery at Biotech Camp
Rising 6th-8th Graders

Campers will witness first hand from medical examiners, police and scientists how:
- Modern-day crime scenes are analyzed and how crimes are solved;
- To effectively question witnesses;
- The field of biotechnology is spreading from forensics, to medical fields, to even agriculture!

Join us on this exciting track and learn from researchers face-to-face, about the field of biotechnology!
YOU BE THE DETECTIVE!!!

NEW – Track II: Forces of Nature Camp
Rising 6th-8th Graders

Forces of Nature will explore the before, during and after effect of a Category FIVE hurricane. Youth will be in networking sessions with the NC Division of Emergency Management and other professionals as they participate in workshops such as Fire Safety, Amateur Radio, Medical Techniques, and Structural Collapse. Youth will create a hurricane preparedness kit while utilizing financial literacy skills. Each participant will be asked to bring canned goods to use for the preparedness kit.

ACRES OF ADVENTURE DAY CAMP
Extension Office – Downtown Plymouth
July 12-16
9:00 a.m. – 1:00 p.m. – Monday–Wednesday
10:30 a.m. Thursday – 10:30 a.m. Friday
Rising 3rd – 6th Graders
Cost: $50

Spend the week exploring fun-filled science experiments. Gain a better appreciation of our land through hands-on, agriculturally based activities. Please bring your lunch and a drink Monday–Thursday. Our plan on Thursday is to go camping at Green Acres in Williamston. We will start at 10:30 a.m. – have day-camp, then go to Green Acres (weather permitting). We will conclude Friday, back at the Extension Office around 10:30 a.m.

I would like to encourage Junior Leaders to come for the week. Parents are also invited to the camp-out.
